A Background Investigation form should be submitted for a hire not processed through the applicant tracking system, volunteers working with minors, and existing employees being transferred, reassigned, reclassified, or promoted. Please refer to the Board of Regents' Policy on background investigations https://www.usg.edu/hr/assets/hr/hrap_manual/ HRAP_Background Investigation Employment.pdf for more information. Once ASC - Talent Services receives the result of the background screening report, we will notify the hiring department of the final results. Billing is handled via journal entry through the Document ID and Worktag number provided on the request.
